

Envoy Suffolk

Part of Envoy National

Envoy is a free evangelism coaching community provided by Church Army for anybody aged 18+ who wants to make evangelism their way of life. Envoy is designed to fit into your life – whatever it looks like – and will equip you to live missionally wherever you are.

If you'd like to meet a member of the Envoy team, hear stories from previous participants or have an opportunity to ask questions, we are hosting one hour taster sessions. To book a place, please visit: www.envoy.website/what-is-envoy.

"How beautiful are the feet of those who bring good news!"

Envoy

Building small communities which are:

- expectant: that God is already at work and inviting us to join Him
- mutually accountable in discernment of God's mission in each other's context and in faithfully stepping into His call to join Him

Envoy

Small groups:

who build community in their time together
who speak and pray into each other's context
who encourage each other and release God's value
who desire for each other that sharing Jesus becomes real
who celebrate and share as each one begins to step out in faith

Envoy

Excellent, accessible half hour teaching podcasts to listen to ahead of gathering

Meeting in small communities during block program time

Meeting online and / or face to face

All groups facilitated by experienced Envoy peers

Ideal for Lightwave groups but open to everyone recommended by their local Church Leader

Envoy

A space where we are not told how or what, but instead where a door unlocks to how God wants to work uniquely through each one of us.
